Investment Policy and Principal Investment Strategy

The Fund will invest at least 70% of the Fund's NAV in Islamic Deposits with Islamic financial institutions. Up to 30% of the Fund's NAV may be invested in Islamic money market instruments, all of which have a remaining maturity period of not more than 365 days. The Fund may also invest up to 10% of the Fund's NAV in Islamic Deposits and Islamic money market instruments with a remaining maturity period of more than 365 days but less than 732 days. The minimum credit rating for the Islamic money market instruments must be at least "BBB3" or "P2" by RAM or equivalent rating by MARC or any local rating agencies of the country or "BBB" by S&P or equivalent rating by any other international rating agencies. We will manage the portfolio actively with trading frequency that will depend on the view of the interest rate outlook. The investment policy and strategy is to invest in liquid and low risk short-term investments for capital preservation* and to accommodate the short-term cash flow requirements of its unit holders.

* *The Fund is neither a capital guaranteed fund nor a capital protected fund within the definition in the SC Guidelines.*

Asset Allocation

- At least 70% of the Fund's NAV in Islamic Deposits with Islamic financial institutions;
- Up to 30% of the Fund's NAV in Islamic money market instruments, all of which have a remaining maturity period of not more than 365 days; and
- Up to 10% of the Fund's NAV in Islamic Deposits and Islamic money market instruments with a remaining maturity period of more than 365 days but less than 732 days.

The investment strategy adheres to the SC Guidelines pertaining to investments for a money market fund. As such any changes to these guidelines would be tantamount to a change in this investment strategy.

We formulate an interest rate outlook by considering factors such as the Malaysian inflation rate, monetary policies and economic growth. With an interest rate outlook and yield curve analysis, we identify the weighting of the investment tenure and credit for the Fund.

In the unlikely event of a credit rating downgrade, we reserve the right to deal with the Islamic money market instruments in the best interest of the Unit holders. As an active fund manager, we have in place flexible tolerance limits to cater to such situations. For example, we can continue to hold the downgraded Islamic money market instruments if the immediate disposal of the Islamic money market instruments would not be in the best interest of the Unit holders.

Risk management is at the core of our investment process. Every proposed decision made by the investment team is considered in the context of the overall portfolio risk-return trade-off.

The Fund will only invest in Islamic Deposits and Islamic money market instruments. Our investment committee reviews the counterparties on a regular basis to ensure that the Fund invests in accordance with the Fund's objective. Hence, the Fund is constructed to be managed within the internal guidelines such as risk-return trade-off, which will be monitored regularly by the investment team.

If the Fund is eligible to be invested via the EPF-MIS, investments made by the Fund will be subject to the EPF's requirements. Please note that there may be changes to the status of the eligibility of the Fund under the EPF-MIS from time to time. Please refer to our website at <http://www.principal.com.my> or <http://www.kwsp.gov.my> for updated information.

Investment in the Fund is not the same as placing funds in an Islamic deposit with an Islamic financial institution. There are risks involved and you should rely on your own evaluation to assess the merits and risks when investing in the Fund.

1.2. PERMITTED INVESTMENTS

Subject to the Deed, the investment policy of the Fund and the requirements of the SC and any other regulatory body, we have the absolute discretion as to how the assets of the Fund are to be invested. The following types of investments permitted for the Fund, which are in line with the Fund's objective, include but are not limited to:

If the Fund is not within the investment restrictions and limits, we should not make any further acquisitions to which the relevant restrictions and limits and must remedy as soon as practicable (maximum three (3) months from the date of occurrence).

The Fund is prohibited from investing in financial instruments which do not comply with Shariah principles. The Fund is also prohibited from investing in interest-bearing deposits and recognising any interest income.

Divestment

In the event the Fund invests in Shariah non-compliant instruments, the Fund needs to dispose or close any Shariah non-compliant instruments, within a month of knowing the status of the instruments. Any gain made in the form of capital gain received during or after the disposal or closure of the mentioned instruments has to be channelled to charitable bodies, as approved by the Shariah Adviser. The Fund has a right to retain only the investment cost, which may include transaction costs.

Cleansing Process

Under the Shariah principles, any income received by the Fund from investments in its portfolio which relates to income from Shariah non-compliant instruments is considered impure income. This impure income is subject to an income purification process as determined by the Shariah Adviser, from time to time and without limitation, where the impure income will be distributed to baitulmal and/or charitable bodies approved by the Shariah Adviser.

Periodic Review

The Shariah Adviser will review the Fund at least twice a year to ensure the Fund has been managed and operated in accordance with the Shariah principles. Upon completion of each review, the Shariah Adviser will deliver its opinion on the Shariah compliancy.

The Fund's Compliance to Shariah Principles

The Shariah Adviser is of the view that, given the prevailing circumstances, the Fund and its respective investments as disclosed and presented in this Prospectus are acceptable and within the principles of Shariah, subject to proper execution of the legal documents and other transactions related to the Fund.

The investment portfolio of the Fund comprises instruments which have been classified as Shariah-compliant by the SAC of the SC and, where applicable the SAC of BNM. For instruments not classified as Shariah-compliant by the SAC of the SC and, where applicable the SAC of BNM, the status of the instruments will be determined in accordance with the rulings of the Shariah Adviser and Shariah Investment Guidelines.

The Fund may not obtain cash financing or borrow other assets in connection with its activities. However, the Fund may obtain cash financing for the purpose of meeting withdrawal requests for units and for short-term bridging requirements provided always that all the financing complies with the Shariah requirements.

1.7. SECURITIES LENDING

Not applicable for the Fund.

1.8. RISK FACTORS

1.8.1. GENERAL RISKS OF INVESTING IN A UNIT TRUST FUND

Any investment carries with it an element of risk. Therefore, prior to making an investment, you should consider the following risk factors in addition to the other information set out in this Prospectus.

Returns not guaranteed

The investment of the fund is subject to market fluctuations and its inherent risk. There is **NO GUARANTEE** on the investment returns, nor any assurance that the fund's investment objective will be achieved.

Market risk

Market risk refers to the possibility that an investment will lose value because of a general decline in financial markets, due to economic, political and/or other factors, which will result in a decline in the fund's NAV.

Inflation risk

This is the risk that your investment in the unit trust fund may not grow or generate income at a rate that keeps pace with inflation. This would reduce your purchasing power even though the value of the investment in monetary terms has increased.

Manager risk

This risk refers to the day-to-day management of the fund by us which will impact the performance of the fund. For example, investment decisions undertaken by us, as a result of an incorrect view of the market or any non-compliance with internal policies, investment mandate, the deed, relevant law or guidelines due to factors such as human error or weaknesses in operational process and systems, may adversely affect the performance of the fund.

Financing risk

This risk occurs when you obtain financing to finance your investment. The inherent risk of investing with money obtained from financing includes you being unable to service the financing payments. In the event units are used as collateral, you may be required to top-up your existing instalment if the price of units fall below a certain level due to market conditions. Failing which, the units may be sold at a lower NAV per unit as compared to the NAV per unit at the point of purchase towards settling the financing.

Reclassification of Shariah status risk

This risk refers to the risk that the currently held Islamic money market instruments in the fund may be reclassified as Shariah non-compliant in the periodic review of the instruments by the relevant authority. If this occurs, we will take the necessary steps to dispose such instruments. There may be opportunity loss to the fund due to the fund not being allowed to retain the excess gains derived from the disposal of the Shariah non-compliant instruments. In the event that the Shariah non-compliant instruments are disposed at a price lower than the investment cost, it may adversely affect the value of the fund. Thus, it may cause the NAV of the fund or price of units to fall.

1.8.2. SPECIFIC RISKS ASSOCIATED WITH THE INVESTMENT PORTFOLIO OF THE FUND

There are specific risks associated with the investment portfolio of the Fund. The key ones include but are not limited to the following:

Interest rate risk

Interest rate risk refers to the impact of the changes in the interest rate environment that would affect the performance of the Fund. When the interest rates decrease, financial institutions may offer deposits with lower interest rates. As such, this will reduce the potential returns of future deposits which in turn will reduce the potential returns of the Fund.

Please note that although Islamic Deposit is a non-interest bearing deposit, the profit rate is correlated to the movement in the interest rates. As such, investment in Islamic Deposit will have an exposure to interest rates. Even though the Fund does not invest in interest bearing instruments, the interest rate referred herein is to the general interest rate of the country which may affect the value of the investment of the Fund.

Credit and default risk

Investment of the Fund may involve a certain degree of credit and default risk. Generally, credit and default risk is the risk of loss due to the counterparty's and/or issuer's non-payment or untimely payment of the investment amount as well as the returns on investment. We aim to mitigate this risk by performing fundamental credit research and analysis to determine the creditworthiness of its counterparty and/or issuer.

You should note that investment in the Fund is not the same as placing funds in an Islamic deposit with an Islamic financial institution. There are risks involved and you should rely on your own evaluation to assess the merits and risks when investing in the Fund.

The above summary of risks does not purport to be an exhaustive list of all the risk factors relating to investments in the Fund and are not set out in any particular order of priority. You should be aware that an investment in a unit trust fund may be exposed to other risks from time to time. If in doubt, you should consult professional advisers for a better understanding of the risks.

The following describes the charges that you may **directly** incur when you buy or withdraw units of the Classes.

2.1.1. Application Fee

Nil.

As such, you may be charged a Switching Fee equal to the difference (if any) between the Application Fee of the Class and the Application Fee of the other Class or Principal Malaysia's fund (or its classes). Switching Fee will not be charged if the Class or Principal Malaysia's fund (or its classes) to be switched into has a lower Application Fee. If in doubt, you should consult your professional advisers for better understanding.

The following describes the fees that you may **indirectly** incur when you invest in a Class.

2.2.1. Management Fee

Please note that the Management Fee is charged to the respective Class at the Class level, based on the NAV of the Class. Please refer to the Annexure of the respective Class for further information. The Management Fee shall be accrued daily and paid monthly.

Below is an illustration on how the Management Fee is calculated, assuming Management Fee is 0.15% and 0.25% per annum for Class ABC and Class XYZ respectively:-

	Class ABC (Denominated in MYR) (MYR)	Class XYZ (Denominated in MYR) (MYR)
Annual Management Fee	0.15% per annum	0.25% per annum
NAV of the Class	MYR 150 million	MYR 150 million
Management Fee for the day = NAV of the Class x Management Fee rate for the Class (%) / 365 days	= MYR 150 million x 0.15%/365 = MYR 616.44	= MYR 150 million x 0.25%/365 = MYR 1,027.40

Note: In the event of a leap year, the computation will be based on 366 calendar days.

2.2.2. Trustee Fee

The Trustee Fee is 0.01% per annum for the Fund.

Below is an illustration on how the Trustee Fee is calculated, assuming the NAV of the Fund is MYR 150 million:-

Trustee Fee for the Fund = 0.01% per annum
 Trustee Fee for the day = NAV of the Fund x annual Trustee Fee rate for the Fund (%) / 365 days
 = MYR 150 million x 0.01% per annum / 365 days

= MYR 41.10

Note: In the event of a leap year, the computation will be based on 366 calendar days.

2.2.4. We and the Trustee are required to ensure that any fees or charges payable are reasonable and in accordance with the Deed, which stipulate the maximum rate in percentage terms that can be charged. Should the Fund invest into units of other collective investment schemes that are managed by us or our related corporation, we will ensure that all initial charges are waived and there is no double charging of management fees. All expenses of the Fund will generally be apportioned to each Class based on the MCR except for Management Fee and those that are related to the specific Class only, such as, the cost of Unit holders meeting held in relation to the respective Class. If in doubt, you should consult your professional advisers for better understanding.

All dealings with brokers are executed on most favourable terms available for the Fund. Any rebates will be directed to the account of the Fund.

There are fees and charges involved and you are advised to consider them before investing in the Fund.

All fees and charges payable by you and/or the Fund are subject to any applicable taxes and/or duties as may be imposed by the government or other authorities (if any) from time to time. As a result of changes in any rule, regulation, directive, notice and/or law issued by the government or relevant authority, there may be additional cost to the fees, expenses, charges and/or taxes payable to and/or by the Fund or you as disclosed or illustrated in the Prospectus.

Where necessary, we will notify the Trustee and communicate to you or seek your approval on the amendments to the fees and charges.

3. TRANSACTION INFORMATION

3.1. VALUATION OF INVESTMENTS PERMITTED BY THE FUND

We will carry out the valuation of the Fund in a fair manner in accordance with applicable law and guidelines. The valuation bases for the investment permitted by the Fund are as below:

- **Islamic money market instruments**

Islamic money market instruments such as negotiable instrument of deposits and commercial papers shall be valued by reference to the quotes provided by independent and reputable pricing source(s), which is deemed fair value, includes but not limited to Bond Pricing Agency (“BPA”) registered with the SC. Where the quotes are provided by financial institutions, the valuation of the money market instruments will be based on the average of bid and offer prices quoted by three (3) independent and reputable financial institutions of similar standing at the close of trading, based on the methods or bases which have been verified by the auditor of the Fund and approved by the Trustee.

- **Islamic Deposits**

The value of Islamic Deposits shall be determined each day by reference to the principal value of such permitted investments and the profit accrued thereon for the relevant period.

3.2. UNIT PRICING

We adopt a single pricing method for any transactions (i.e. applications, withdrawals, switches and/or transfers) based on forward prices. This means that we will process your transactions request based on the NAV per unit at the next valuation point after we receive the completed relevant transaction forms from you.

If the transactions are made by 4:00 p.m. on a Business Day, we will process the transactions using the NAV per unit for that Business Day. For transactions made after 4:00 p.m., we will process the transactions using the NAV per unit on the next Business Day.

We will carry out the valuation point for the Classes for a Business Day at the end of that Business Day (T). The NAV per unit for a Business Day is available on our website at <http://www.principal.com.my> after 10:00 a.m. on the following Business Day (T+1).

Illustration:

For transaction request received by us by 4:00 p.m. on a Business Day

At the end of Business Day on 15 January 2020, your units will be calculated based on the NAV per unit on 15 January 2020, which will be calculated on 15 January 2020. The NAV per unit will be available on our website after 10:00 a.m. on 16 January 2020.

For transaction request received by us after 4:00 p.m. on a Business Day

At the end of Business Day on 15 January 2019, your units will be calculated based on the NAV per unit on 16 January 2019, which will be calculated on 16 January 2020. The NAV per unit will be available on our website after 10:00 a.m. on 17 January 2020.

The Fund must be valued at least once every Business Day. The method of determining NAV per unit of the Class is calculated as follows:

$$\text{NAV per unit of the Class} = \frac{\text{NAV of the Class}}{\text{Number of units in issue of the Class}}$$

The NAV of the Fund is the sum of the value of all investments and cash held by the Fund (calculated in accordance with the Deed) including income derived by the Fund which has not been distributed to you, less all amounts owing or payable in respect of the Fund including any provisions that we and the Trustee consider should be made. For example, a provision may be made for possible future losses on an investment which cannot be fairly determined.

The valuation of the Fund is in the base currency i.e. MYR. The NAV per unit of each Class will be the NAV of the Fund attributable for each Class divided by the number of units in circulation of that Class, at the same valuation point.

Note: We will ensure the accuracy of the prices submitted to the Federation of Investment Managers Malaysia - Funds Malaysia System.

3.2.1. Multi-class Ratio (MCR)

MCR is the apportionment of the NAV of each Class over the Fund’s NAV based on the size of each Class. The MCR is calculated by dividing the NAV of the respective Class by the NAV of the Fund before income and expenses for the day. The apportionment is expressed as a ratio and calculated as a percentage.

Below is an illustration on computation of the NAV of the Fund:

	Fund (MYR)	Class ABC (Denominated in MYR) (MYR)	Class XYZ (Denominated in MYR) (MYR)
NAV of the Fund before income and expenses	185,942,897	173,342,897	12,600,000

⁽³⁾ Creation of units	2,000,000	1,000,000	1,000,000

Units in circulation	208,758,458.36 units	170,980,680.59 units	37,777,777.77 units
NAV per unit		1.0197	0.3600

Note :

⁽¹⁾ MCR computation

	Class ABC (Denominated in MYR) (MYR)	Class XYZ (Denominated in MYR) (MYR)
$\frac{\text{NAV of the Class} \times 100}{\text{NAV of the Fund before income and expenses}}$	$\frac{173,342,897 \times 100}{185,942,897}$	$\frac{12,600,000 \times 100}{185,942,897}$
	= 93.22%	= 6.78%

⁽²⁾Apportionment based on MCR is as follows:

	(MYR)	Class ABC (Denominated in MYR) (MYR)	Class XYZ (Denominated in MYR) (MYR)
Add: Income	30,000	MCR x Income = Income for Class ABC = 93.22% x MYR 30,000 = MYR 27,966	MCR x Income = Income for Class XYZ = 6.78% x MYR 30,000 = MYR 2,034
Less: Expenses	(10,000)	MCR x Expenses = Expenses for Class ABC = 93.22% x MYR 10,000 = MYR 9,322	MCR x Expenses = Expenses for Class XYZ = 6.78% x MYR 10,000 = MYR 678

⁽³⁾Creation of units

	Class ABC (Denominated in MYR) (MYR)	Class XYZ (Denominated in MYR) (MYR)
Creation of units	MYR 1,000,000	MYR 1,000,000
NAV per unit	MYR 1.0197	MYR 0.3600
Number of units	980,680.59 units	2,777,777.77 units
Creation of units	MYR 1,000,000	MYR 1,000,000

Note: Please note that the above is for illustration purpose only. NAV per unit is truncated to four (4) decimal places.

3.2.2. Calculation of investment amount and units entitlement

The calculation below is for illustration only and does not represent the actual percentage or amount that you may incur for in each Class. Please refer to the Annexure of the respective Class for the actual percentage or amount of charges.

Illustrations:

Calculation of number of units received, Application Fee and total amount payable by you

Assumptions:

NAV per unit of Class ABC denominated in MYR = RM0.5000 (truncated to 4 decimal places)

Application Fee = Nil

You wish to invest RM10,000 in the Class ABC.

Calculation of number of units that you will receive*

= Investment amount / NAV per unit of Class ABC
 = RM10,000.00 / RM0.5000
 = 20,000 units

Calculation of Application Fee that you will incur (payable in addition to the amount invested)

= NAV per unit of Class ABC x number of units received x Application Fee rate
 = RM0.5000 x 20,000 units x 0%
 = RM0

Calculation of total amount that you will have to pay

= Investment amount + Application Fee paid
 = RM10,000.00 + RM0.00
 = RM10,000.00

* The number of units that you receive will be rounded down to two (2) decimal places.

Calculation of investment value

Assuming you have 40,000 units of Class ABC of the Fund and the NAV per unit of Class ABC for the day (which will be made known on the following Business Day) is RM0.5110 (truncated to 4 decimal places).

Calculation of investment value

= Number of units x NAV per unit of Class ABC
 = 40,000.00 units x RM0.5110
 = RM20,440.00

Calculation of withdrawal value and amount payable to you

Assuming you have 50,000 units Class ABC of the Fund, you wish to withdraw RM10,000.00 from your investment. Your withdrawal request is received by us by 4:00 p.m. on a Business Day. The NAV per unit of Class ABC for that Business Day (which will be made known on the following Business Day) is RM0.5230 (truncated to 4 decimal places).

Calculation of number of units you withdraw

= Withdrawal value / NAV per unit of Class ABC
 = RM10,000.00 / RM0.5230
 = 19,120.45 units

Calculation of number of your remaining units

= Units held before withdrawal - Units withdrawn
 = 50,000 - 19,120.45
 = 30,879.55 units

Calculation of amount payable to you

= *Withdrawal value - Withdrawal Fee paid*
= *RM10,000.00 - RM0.00*
= *RM10,000.00*

* *There is no Withdrawal Fee charged for Class ABC. Hence, the amount payable to you is the withdrawal value.*

3.3. INCORRECT PRICING

We shall take immediate remedial action to rectify any incorrect valuation and/or pricing of the Fund or units of the Fund. Where such error has occurred, we shall reimburse the money in the following manner:

- (a) in the event of over valuation and/or pricing, we shall reimburse:
 - (i) the Fund for any withdrawal of units; and/or
 - (ii) you, if you have purchased units of the Fund at a higher price;
- (b) in the event of under valuation and/or pricing, we shall reimburse:
 - (i) the Fund for any subscription of units; and/or
 - (ii) you, if you have withdrawn units of the Fund at a lower price.

Notwithstanding the above, unless the Trustee otherwise directs, we shall make the reimbursement as per the IMS only where an incorrect pricing:

- (i) is equal or more than 0.5% of the NAV per unit; and
- (ii) results in a sum total of RM10.00 or more to be reimbursed to a Unit holder for each sale or withdrawal transaction.

We shall have the right to amend, vary or revise the abovesaid limits or threshold from time to time, subject to any regulatory or governing body's requirements.

3.4. INVESTING

3.4.1. Who can invest?

You are eligible to invest in the Fund if you are:

However, we have the right to reject an application on reasonable grounds.

Further, if we become aware of a US person (i.e. someone who has a USA address (permanent or mailing)) or US entity (i.e. a corporation, trust, partnership or other entity created or organised in or under the laws of the United States or any state thereof or any estate or trust the income of which is subject to United States Federal Income Tax regardless of source) holding units in the Fund, we may issue a notice to that person requiring him/her to, within thirty (30) days, either withdraw the units or transfer the units to a non-US person or non-US entity.

We also have the right to withdraw all units held by you in the event we are of the opinion that such withdrawal is necessary to ensure that we comply with any relevant laws, regulations and guidelines. We will first notify you before making any such compulsory withdrawal of your units.

3.4.3. Regular Savings Plan

RSP may be made available for certain Class. Please refer to the Annexure of the respective Class for further information. Where available, the RSP allows you to make regular monthly investments, direct from your account held with a bank approved by us or our Distributors. We will process the monthly investments made via the RSP when we receive your application and/or your monthly contribution. You can also arrange a standing instruction with our Distributors to invest a pre-determined amount

in the Class each month. You may cancel your RSP at any time by providing written instructions to the relevant Distributors to cancel your standing instruction.

3.4.4. Can the units be registered in the name of more than one (1) Unit holder?

We may register units in the name of more than one (1) Unit holder but we have the discretion not to allow registration of more than two (2) joint holders. All applicants must be at least eighteen (18) years of age.

You are advised not to make payment in cash to any individual agent when purchasing units of a fund.

3.4.6. Please take note that if your investments are made through an IUTA via a nominee system of ownership, you would not be deemed as a Unit holder under the Deed and as a result, you may not exercise all the rights ordinarily conferred to a Unit holder (e.g. the right to call for Unit holders' meetings and the right to vote at a Unit holders' meeting).

3.5. MINIMUM INVESTMENTS

The minimum initial and additional investment in each Class may differ and may be determined by us from time to time. Please refer to the Annexure of the respective Class for further information.

3.5.1. Processing an application

If we receive a complete application by 4:00 p.m. on a Business Day, we will process it using the NAV per unit for that Business Day. If we receive the application after 4:00 p.m., we will process it using the NAV per unit for the next Business Day (T+1). We will only process the completed applications with all the necessary information. The number of units you receive will be rounded down to two (2) decimal places.

3.6. MINIMUM WITHDRAWALS

The minimum withdrawal for each Class may differ and may be determined by us from time to time, unless you are withdrawing your entire investment. Please refer to the Annexure of the respective Class for further information. You may withdraw by completing a withdrawal form and sending it to the relevant Distributor or our head office. There is no restriction on the frequency of withdrawals. We will transfer the withdrawal proceeds to the bank account number provided by you. If we receive the withdrawal request after 4:00 p.m. on a Business Day, we will process it using the NAV per unit for the next Business Day (T+1). The amount that you will receive is calculated by the withdrawal value less the Withdrawal Fee, if any. You will be paid in RM within three (3) Business Days of receipt of the complete withdrawal request. For a withdrawal amount greater than RM30 million, you are required to provide us with a written notice (electronically or otherwise) of minimum seven (7) Business Days of such intention to withdraw to enable us to process the withdrawal. You will have to bear the applicable bank fees and charges, if any.

3.7. MINIMUM BALANCE

The minimum balance that must be retained in your account for each Class may differ and may be determined by us from time to time. Please refer to the Annexure of the respective Class for further information. If the balance (i.e. number of units) of an investment less than the minimum number of units stipulated, you are required to make additional investment in order to meet the required minimum balance of investment. Otherwise, we have the discretion to switch your units to another Class with

lower minimum balance which may subject to higher fees or we can withdraw the entire investment and forward the proceeds to you.

3.8. COOLING-OFF PERIOD

You have six (6) Business Days after your initial investment (i.e. the date the complete application is received and accepted by us or any of our Distributors) to reconsider its appropriateness and suitability for your investment needs. Within this period, you may withdraw your investment at the NAV per unit on the day the units were first purchased. We will refund the investment amount including Application Fee (if any) to you in RM within ten (10) calendar days from the date we receive the complete documentation. Please note that the cooling-off right is only given to first time investor investing with us or any of our Distributor. However, Principal Malaysia's staff and person(s) registered to deal in unit trust of Principal Malaysia or any of our Distributor are not entitled to the cooling-off right.

In addition, if you have invested via the EPF-MIS (where available), your cooling-off right is subject to EPF's terms and conditions.

3.9. SWITCHING

Switching is available between the Classes of the Fund or between a Class and other Principal Malaysia's funds (or its classes) which should be denominated in the same currency. You may contact our **Customer Care Centre** at **(03) 7718 3000** for more information on the availability of switching. Please also refer to the Annexure of the respective Class for further information.

To switch, simply complete a switch request form and send to our Distributors or our head office. Currently, there is no restriction on the frequency of switches. However, we have the discretion to allow or to reject any switching into (or out of) the Fund or Class, either generally (for all investors) or specifically (for any particular investor, a group of investors or investments made via any digital platform).

3.9.1. Processing a switch

We process a switch as a withdrawal from one fund or class and an investment into another fund or class within Principal Malaysia's funds. If we receive a complete switch request by 4:00 p.m. on a Business Day, we will process the switch-out using the NAV per unit of the fund or class for that Business Day. If we receive the request after 4:00 p.m., we will process the switch-out using the NAV per unit of the fund or class for the next Business Day (T+1).

3.10. TRANSFER FACILITY

You may transfer your units to another investor subject to such terms and conditions as may be stipulated in the Deed. You may be charged a Transfer Fee for each transfer. However, we may refuse to register any transfer of a unit at our absolute discretion. Please refer to the Annexure of the respective Class for further information.

3.11. TEMPORARY SUSPENSION

We and the Trustee may temporarily suspend the dealing in units of the Class or Fund, subject to the SC Guidelines and/or the Deed. Please note that during the suspension period, there will be no NAV per unit available and hence, we will not accept any transactions for the applications, withdrawals, switches and/or transfers of units. If we have earlier accepted your request for withdrawals and switches of units, please note that there may be delay in processing those transactions and you will be notified accordingly. You will also be notified once the suspension is lifted.

3.12. DISTRIBUTION PAYMENT

Depending on the distribution policy of the respective Class, distribution (if any) will be made at the end of each distribution period. Depending on the distribution policy of the respective Class, distribution (if any) will be made at the end of each distribution period to the Classes according to its distribution policy. Each unit of the Class will receive the same distribution for a distribution period regardless of when those units were purchased. The distribution amount you will receive is in turn calculated by multiplying the total number of units held by a Unit holder in the Class by the cent per unit distribution amount. On the distribution date, the NAV per unit will adjust accordingly. For information on the distribution policy of each Class, please see Annexure of the respective Class.

All distributions (if any) will be automatically reinvested into additional units in the Class at the NAV per unit of the Class on the distribution date (the number of units is rounded down to two (2) decimal places), unless written instructions to the contrary are communicated to us, in which you should have first furnished us with details of your bank account, that all distribution payment shall be paid into (the cost and expense will be borne by you). No Application Fee is payable for the reinvestment.

If units are issued as a result of the reinvestment of a distribution or other circumstance after you have withdrawn your investment from the Class, those additional units will then be withdrawn and the proceeds will be paid to you.

3.13. UNCLAIMED MONEYS

Any moneys payable to you which remain unclaimed after twelve (12) months as prescribed by the Unclaimed Moneys Act 1965 (“UMA”), will be surrendered to the Registrar of Unclaimed Moneys by us in accordance with the requirements of the UMA. Thereafter, all claims need to be made by you with the Registrar of Unclaimed Moneys.

However, for income distribution payout to you by cheque, if any, which remain unclaimed for six (6) months will be reinvested into the Class within thirty (30) Business Days after the expiry of the cheque’s validity period based on the prevailing NAV per unit on the day of the reinvestment in circumstances where you still hold units of the Class. As for income distribution payout by bank transfer, if any, shall be transmitted to your valid and active bank account. If the bank transfer remained unsuccessful and unclaimed for six (6) months, it will be reinvested into the Class within thirty (30) Business Days after the six (6) months period based on the prevailing NAV per unit on the day of the reinvestment in circumstances where you still hold units of the Class. No Application Fee is payable for the reinvestment. In the event that you no longer hold any unit in the Class, the distribution money would be subject to the treatment mentioned in the above paragraph as prescribed by the UMA.

Unit prices and distributions payable, if any, may go down as well as up.

We have the discretion to amend the amount, rate and/or terms and conditions of the transaction information herein, subject to the requirements stipulated in the Deed. Where necessary, we will notify the Trustee and communicate to you on the amendments to the transaction information.

The quorum for a meeting of Unit holders of the Fund or Class, as the case may be, is five (5) Unit holders of the Fund (irrespective of the Class) or Class, as the case may be, present in person or by proxy, provided that for a meeting which requires a Special Resolution the quorum for that meeting shall be five (5) Unit holders of the Fund (irrespective of the Class) or Class, as the case may be, whether present in person or by proxy, holding in aggregate at least twenty five per centum (25%) of the units in issue of the Fund (irrespective of the Class) or Class, as the case may be, at the time of the meeting. If the Fund or Class, as the case may be, has five (5) or less Unit holders, the quorum required shall be two (2) Unit holders of the Fund (irrespective of the Class) or Class, as the case may be, whether present or by proxy and if the meeting requires a Special Resolution the quorum for that meeting shall be two (2) Unit holders of the Fund (irrespective of the Class) or Class, as the case may be, whether present in person or by proxy, holding in aggregate at least twenty five per centum (25%) of the units in issue for the Fund (irrespective of the Class) or Class, as the case may be, at the time of the meeting.

At any meeting of Unit holders of the Fund or of a particular Class, as the case may be, (save and except for a resolution for the winding-up of a Class to a Fund, as the case may be), one vote is granted to each Unit, regardless of its NAV per Unit. Each Unit holder of the Fund or of the Class present in person or by proxy has one (1) vote on a show of hands (irrespective of the Class). On a poll, each Unit holder of the Fund or of a particular Class, as the case may be, present in person or by proxy has one (1) vote for each whole fully paid Unit held, proportionate to the value of Unit held in the base currency. In the case of a Class meeting, on a poll, each Unit holder of that Class present in person or by proxy has one vote for each whole fully paid unit held in that Class. In the case of joint Unit holders, any one of such joint Unit holder may vote either personally or by proxy as comprised in the joint holding but if more than one of such Joint Unit holder be present at any meeting either personally or by proxy, only the Joint Unit holder whose name appears first in the register may vote. Dear Sirs,

TAXATION OF THE TRUST OFFERED UNDER THE PRINCIPAL ISLAMIC DEPOSIT FUND 2 (FORMERLY KNOWN AS CIMB ISLAMIC DEPOSIT FUND 2) AND UNIT HOLDERS

This letter has been prepared for inclusion in the Prospectus Issue No. M2 (“hereinafter referred to as “the Prospectus”) in connection with the offer of units in the Principal Islamic Deposit Fund 2 (formerly known as CIMB Islamic Deposit Fund 2 (“the Trust”).

The taxation of income for both the Trust and the unit holders are subject to the provisions of the Malaysian Income Tax Act, 1967 (“the Act”). The applicable provisions are contained in Section 61 of the Act, which deals specifically with the taxation of trust bodies in Malaysia.

TAXATION OF THE FUND

The Trust will be regarded as resident for Malaysian tax purposes since the trustee of the Trust is resident in Malaysia.

(1) Foreign Investments

Income of the Trust in respect of overseas investment is exempt from Malaysian tax by virtue of Paragraph 28 of Schedule 6 of the Act and distributions from such income will be tax exempt in the hands of the unit holders. Such income from foreign investments may be subject to taxes or withholding taxes in the specific foreign country. However, any foreign tax suffered on the income in respect of overseas investment is not tax refundable to the Trust in Malaysia.

The foreign income exempted from Malaysian tax at the Trust level will also be exempted from tax upon distribution to the unit holders.

(2) Domestic Investments

(i) General taxation

The income of the Trust consisting of dividends, interest or profit¹ (other than interest and profit¹ which is exempt from tax) and other investment income derived from or accruing in Malaysia, after deducting tax allowable expenses, is liable to Malaysian income tax at the rate of 24 per cent.

Gains on disposal of investments by the Trust will not be subject to income tax.

¹ Under section 2(7) of the Income Tax Act 1967, any reference to interest shall apply, mutatis mutandis, to gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of Syariah.

(ii) Dividend and other exempt income

All companies would adopt the single-tier system. Hence, dividends received would be exempted from tax and the deductibility of expenses incurred against such dividend income would be disregarded. There will no longer be any tax refunds available for single-tier dividends received. Dividends received from companies under the single-tier system would be exempted.

The Trust may receive Malaysian dividends which are tax exempt. The exempt dividends may be received from investments in companies which had previously enjoyed or are currently enjoying the various tax incentives provided under the law. The Trust will not be taxable on such exempt income.

Interest or profit¹ or discount income derived from the following investments are exempt from tax:

- (a) Securities or bonds issued or guaranteed by the government of Malaysia;
- (b) Debentures or sukuk, other than convertible loan stocks, approved or authorized by, or lodged with, the Securities Commission Malaysia; and
- (c) Bon Simpanan Malaysia issued by Bank Negara Malaysia.

Income from Investment in structured products which are seen to be “debentures” under Capital Markets and Services Act 2007 will be exempted. Otherwise, tax implications could arise.

Interest or profit¹ income derived from the following investments are exempt from tax:

- a) Interest or profit¹ paid or credited by any bank or financial institution licensed under the Financial Services Act 2013 or Islamic Financial Services Act 2013;
- b) Interest or profit¹ paid or credited by any development financial institution regulated under the Development Financial Institutions Act 2002;
- c) Bonds, other than convertible loan stocks, paid or credited by any company listed in Bursa Malaysia Securities Berhad ACE Market; or
- d) Interest or profit¹ paid or credited by Malaysia Building Society Berhad².

With effect from 1 January 2019, the exemption shall not apply to interest income paid or credited to a unit trust that is a wholesale fund which is a money market fund.

The interest or profit¹ or discount income exempted from tax at the Trust’s level will also be exempted from tax upon distribution to the unit holders.

(3) Hedging Instruments

The tax treatment of hedging instruments would depend on the particular hedging instruments entered into.

Generally, any gain / loss relating to the principal portion will be treated as capital gain / loss. Gains / losses relating to the income portion would normally be treated as revenue gains / losses. The gain / loss on revaluation will only be taxed or claimed upon realisation. Any gain / loss on foreign exchange is treated as capital gain / loss if it arises from the revaluation of the principal portion of the investment.

(5) Other Income

The Trust may be receiving income such as exit fee which will be subject to tax at the rate of 24 per cent.

(6) Tax Deductible Expenses

Expenses wholly and exclusively incurred in the production of gross income are allowable as deductions under Section 33(1) of the Act. In addition, Section 63B of the Act provides for tax deduction in respect of managers’ remuneration, expenses on maintenance of the register of unit holders, share registration expenses, secretarial, audit and accounting fees, telephone charges, printing and stationery costs and postages. The deduction is based on a formula subject to a minimum of 10 per cent and a maximum of 25 per cent of the expenses.

² Pursuant to the letters from Ministry of Finance Malaysia dated 11 June 2015 and 16 June 2015 with effect from year of assessment (“YA”) 2015.

(7) Real Property Gains Tax (“RPGT”)

With effect from 1 January 2019, any gains on disposal of real properties or shares in real property companies³ would be subject to RPGT at the following rates:-

Disposal time frame	RPGT rates
Within 3 years	30%
In the 4 th year	20%
In the 5 th year	15%
In the 6 th year and subsequent years	10%

(8) Sales and Service Tax (“SST”)

Effective from 1 September 2018, SST has been reintroduced to replace the Goods and Services Tax (“GST”). Both the Sales Tax Act 2018 and Services Tax Act 2018 have been gazetted on 28 August 2018. The rates for sales tax are nil, 5 per cent, 10 per cent or a specific rate whereas the rate for service tax is at 6 per cent.

Sales tax will be chargeable on taxable goods manufactured in or imported into Malaysia, unless specifically exempted by the Minister. Whereas, only specific taxable services provided by specific taxable persons will be subject to service tax. Sales tax and service tax are single stage taxes. As such, SST incurred would generally form an irrecoverable costs to the business.

Generally, the Trust, being a collective investment vehicle, should not be caught under the service tax regime. Certain brokerage, professional, consultancy or management services paid by the Trust may be subject to service tax at 6 per cent including services acquired from a foreign service provider.

TAXATION OF UNIT HOLDERS

Unit holders will be taxed on an amount equivalent to their share of the total taxable income of the Trust to the extent of the distributions received from the Trust. The income distribution from the Trust will carry a tax credit in respect of the Malaysian tax paid by the Trust. Unit holders will be entitled to utilise the tax credit against the tax payable on the income distribution received by them. No additional withholding tax will be imposed on the income distribution from the Trust.

Non-resident unit holders may also be subject to tax in their respective jurisdictions. Depending on the provisions of the relevant country’s tax legislation and any double tax treaty with Malaysia, the Malaysian tax suffered may be creditable against the relevant foreign tax.

Corporate unit holders, resident⁴ and non-resident, will generally be liable to income tax at 24 per cent on distribution of income received from the Trust. The tax credits attributable to the distribution of income can be utilised against the tax liabilities of these unit holders.

Individuals and other non-corporate unit holders who are tax resident in Malaysia will be subject to income tax at graduated rates ranging from 1 per cent to 28 per cent⁵. Individuals and other non-corporate unit holders who are not resident in

³ A real property company is a controlled company which owns or acquires real property or shares in real property companies with a market value of not less than 75 per cent of its total tangible assets. A controlled company is a company which does not have more than 50 members and is controlled by not more than 5 persons.

⁴ Resident companies with paid up capital in respect of ordinary shares of RM2.5 million and below will pay tax at 17 per cent for the first RM500,000 of chargeable income with the balance taxed at 24 per cent with effect from 1 January 2019.

Pursuant to the Finance Bill 2019, resident companies with paid up capital in respect of ordinary shares of RM2.5 million and below and having an annual sales of not more than RM50 million will pay tax at 17 per cent for the first RM600,000 of chargeable income with the balance taxed at 24 per cent with effect from year of assessment 2020.

With effect from YA 2009, the above shall not apply if more than –

- 50 per cent of the paid up capital in respect of ordinary shares of the company is directly or indirectly owned by a related company;
- 50 per cent of the paid up capital in respect of ordinary shares of the related company is directly or indirectly owned by the first mentioned company;
- 50 per cent of the paid up capital in respect of ordinary shares of the first mentioned company and the related company is directly or indirectly owned by another company.

“Related company” means a company which has a paid up capital in respect of ordinary shares of more than RM2.5 million at the beginning of the basis period for a YA.

Malaysia will be subject to income tax at 28 per cent⁶. The tax credits attributable to the distribution of income can be utilised against the tax liabilities of these unit holders.

The distribution of exempt income and gains arising from the disposal of investments by the Trust will be exempted from tax in the hands of the unit holders.

Any gains realised by unit holders (other than dealers in securities, insurance companies or financial institutions) on the sale or redemption of the units are treated as capital gains and will not be subject to income tax. This tax treatment will include gains in the form of cash or residual distribution in the event of the winding up of the Trust.

Unit holders electing to receive their income distribution by way of investment in the form of new units will be regarded as having purchased the new units out of their income distribution after tax.

Unit splits issued by the Trust are not taxable in the hands of unit holders.

We hereby confirm that the statements made in this report correctly reflect our understanding of the tax position under current Malaysian tax legislation. Our comments above are general in nature and cover taxation in the context of Malaysian tax legislation only and do not cover foreign tax legislation. The comments do not represent specific tax advice to any investors and we recommend that investors obtain independent advice on the tax issues associated with their investments in the Trust.

Yours faithfully,
